

Pee Dee GIS User Group Meeting

Wednesday, August 24th, 2011

Florence County Doctors Bruce and Lee Foundation Library

509 South Dargan Street

Florence, SC 29501

AGENDA

10:00

Welcome

- Approval of May 2011 Minutes

10:10

Caroline Dunlap, Florence County GIS

"Creating Mapbooks in ArcGIS 10"

An updated version of her November 2008 presentation on the Mapbook Developer Sample, Caroline will discuss the new process for creating mapbooks in ArcGIS 10 using Data Driven Pages.

11:00

Break

11:10

Membership Update, Financial Report & Roundtable Discussion

11:40

Lunch Break

Lasagna, Salad and Rolls catered by Stefanos

12:00

Ed Yankowski, ESRI

"2011 User conference overview & ArcGIS.com Mashups"

Join us to see hear some of the highlights from the 2011 User Conference and also see how ArcGIS.com can create webmaps from your own tabular data, decide how that data is symbolized and what information is shown from it. ArcGIS.com requires no software and is a great way to expand the use of consumer based GIS inside organizations

12:50

Closing Remarks, Door Prize Drawings and Adjournment
